

THE LEADING VOICE FOR MICHIGAN'S PROPERTY & CASUALTY INSURERS

The Insurance Alliance of Michigan (IAM) is a unified voice for the insurance industry, representing auto, home and business insurance companies operating in Michigan.

Our members provide a variety of coverages, including: home, auto, motorcycle, commercial, workers compensation, medical liability, and legal liability insurance policies.

We advocate for our members across the state – large and small – before the Legislature, the executive branch and state agencies. IAM is also a trusted resource for policymakers, opinion leaders and the media. We're here to help connect decision-makers with the resources and expertise they need to make informed decisions.

Our member companies and their agents are the heart and soul of the communities they call home, providing great jobs and pumping billions of dollars back into the economy. They are also leaders in charitable giving, donating over \$44 million to local charities, and providing free car seats and car seat inspections to ensure the safety of our most vulnerable passengers.

Our future is just as important as our past, which is why IAM is proud to support the next generation of agents, adjusters and underwriters through the Insuring MI Future program, which works to close Michigan's talent gap by connecting high school students with rewarding careers.

We're proud to support our member companies and help grow Michigan's thriving insurance industry, which protects our families, homes and businesses and makes our roads safer. Our members include:
